Title: LETTER TO MORDEA

Author:

Most Honorable Lady
Mordea, I have heard that
the Skull of Quakes has
been removed from the
Upper Catacombs. I had
believed that it would be
safe within the
Catacombs, for it is the
only place it is used.
Pray tell me, my Lady,
what do you suggest I do
about this situation? I
have heard rumors that
it presently may be
within the Shrine, but I
have grave doubts about
it. I await your swift
answer and am assured
of your graciousness in
this matter. Lieutenant
